## William's Water

**William Watkins, founder of Radnor Hills, talking to Mike Thompson**

*"We're 100 per cent part of this community - it's in our bones!"*

William Watkins, the founder of Radnor Hills mineral waters and soft drinks, spoke with passion. William is proud of the company's community roots and its commitment to give to a range of community projects that touch different segments. "It engenders the most extraordinary response", William says. "We get goodwill back and people are genuinely proud of the brand" coming from their community and served on Eurostar. Today, nearly 200 people are employed to help William produce a wide range of waters and soft drinks amounting to 300 million units this year and a revenue of £48 million.

William has a keen sense of loyalty to his forefathers and the Radnorshire communities. The Watkins family originated from Dolau and William's great grandfather, Walter, took over the Heartsease farm set in the Teme valley near Knighton as a tenant of the Stanage Estate in 1903. In 1931, Walter's son, Jack Watkins, bought the 220-acre farm and developed a cattle-dealing business agreeing price on sight of the cattle and often over a glass of whisky. Jack was awarded the MBE for services to agriculture.

William's father, John, took over the farm in 1968 and acquired Taylor's farm in Norton farming sheep, cattle and poultry. William told me that agriculture is deeply instilled in his veins. When he graduated from Newcastle University in 1987 he didn't follow his friends into management trainee schemes but followed the inner call to come home to Heartsease Farm.

By 1990, William realised that the farming business was not enough for

him. "Dad was doing it really well and I told him I would interview for jobs in London." But when John suggested that he follow up his degree project on mineral water and soft drinks by creating a water business from the farm's bore hole, William decided to explore.

The underground source gathered fine, naturally filtered and plentiful water. The idea developed to a business plan. William was awarded a match-funded grant from a farm diversification scheme that enabled him to invest in his first water cupping machine. The first customers were airline caterers. Each week William would pack and deliver orders on Monday and Tuesday and farm Wednesday to Friday.

Soon lorry pallets replaced the car deliveries and William took on his first two employees, releasing him to go out and sell Radnor Hills water. William met with a McDonalds buyer who was a farmer's son and fascinated by the new Radnor Hills business. They became friends and the McDonalds contract continued for ten years which helped William to rapidly expand the business by supplying supermarkets. In 1997 he launched flavoured waters and this was the start of soft drinks products which now make up 80 per cent of sales.

In 2006, new electricity plant enabled Radnor Hills to make their own plastic

bottles which are now made from 50% recycled plastic. Today, drinks are packed in plastic and glass bottles, Tetrapak cartons and cans.

One of the biggest areas of growth for Radnor Hills has been to school caterers. Fizzy soft drinks have been replaced with fruit juices which require the speciality drink expertise developed by Radnor Hills who now supply 80 to 90% of all secondary schools.

William is proud of a committed workforce of locals, and recruiting food technologists and microbiologists locally is difficult. But William sees the opportunity to train young people with a mind for science. "We say to them, 'We'll hold your hand, teach you, send you on day release and give you a transferable skill.'"

On the deeper question of purpose, William pauses and reflects looking at the photographs of his forefathers around his farmyard office: "I've always had a Christian background and believe in a greater meaning of life. I refer it back to the business. We're here for a short time and I believe that business should be a force for good. I'm not selling it: this is a long-term collaboration with the community."

*"We promise to care for you and those you love"*

Dear Friends,

As I look out of my window I see clearly the changing colours of nature around me. It is a reminder that even as we head towards winter there is a great deal of beauty in this world. We have come through the season of Harvest Festivals and enjoyed some wonderful fellowship. I have been astounded at the beautiful array of produce and all the hard work that has led to such wonderful services and suppers.

It is important that we keep all of this positivity in mind as we head into the dark winter nights. Winter is for many a desolate time that can allow depression to creep in. It is important to keep an eye out for each other.

Living in a rural area we tend to get to know people's habits, which makes it easier for us to spot if something is amiss. This is not always the case, however, so we must be vigilant .

The greatest thing that we can do is pray. Let us keep all those who may suffer this winter in our prayers whether we know them or not. Let us also be brave enough to ask for help if we need to.

Winter has a lot to offer, time to take stock and refresh ourselves. Time to spend with other people. These are just two. Let us all watch God's creation as it changes and pray for God to help us to prepare for the renewal of spring.

Love and blessings

Petra

## Cover: Remembrance

The Remembrance Window for this month is from a lovely little church on the south side of the Llyn Peninsula dedicated to St Pedrog.

The stained glass is the community's war memorial for the Great War 1914-1918. An inscription below it reads:

*A Tenebris ad Lucem*

"From Darkness to Light"

An angel lifts the fallen soldier, still clutching his rifle.

Behind is a devastated landscape. Jesus, wearing his crown of thorns, bows his head in sadness and compassion.

It is the church's prayer that Christ will transform the suffering of all war victims whether from the past or in the present.

## Still Travelling the Road Together

With open arms we greeted Petra who took our second **Ministry Area Service** at St Cynllo's. We considered the importance of continuing to work together in this, a still comparatively new, venture. Readings from Corinthians 12 and 13 reminded us that everyone has a part to play in their own way and that, above all, love is the greatest thing that we can all contribute.

Although, as is to be expected at this time of year, many people were away, we were delighted to welcome members from a good many other parishes and representatives from some of those gave us the readings, took up the collection and played the organ.

Demonstrating some of the broader aspects of Christian life across the Area we had interesting and informative talks on the work of Caring for God's Acre, Drop-in Centre and Messy Church.

Those of you who attended our first Ministry Area Service, back at the very start of things, may remember the 'road' we made together with outlines of our foot prints on a length of lining paper.

It made a second appearance at this service and we were all invited to attach post-it notes to it with our name and that of a church in the Ministry Area that we would not normally attend, to signify a commitment to try, during the course

of the next twelve months, to worship there. Petra was very keen to hold us to our word. The phrase 'legally witnessed contract' were uttered and talk of an annual review – anxious looks all round!!

Seriously though – in these challenging times it is so important that we support each other and getting to know one another must surely be a wonderful thing.

The general feeling of the occasions seemed to be captured with our final hymn – the rousing *One more step along the road we go.*

## Celtic Saint of the Month - Martin of Tours 11th November

**Y**ou may well ask, what has St Martin to do with Celtic saints? He was born in Hungary, the son of a Roman tribune, in 316 or 336.

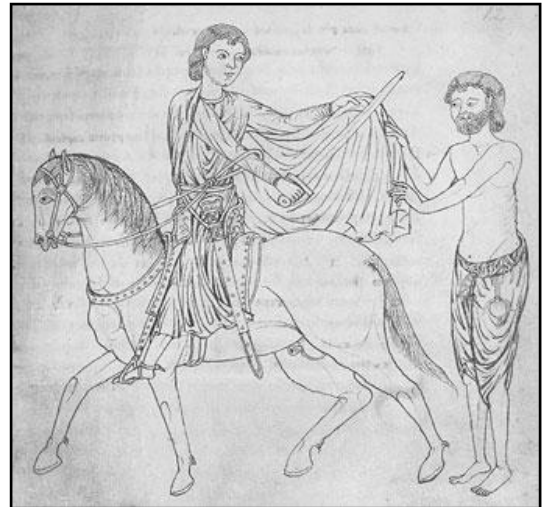

The story of his conversion involves an incident when he cut his substantial officer's cloak in half to share with a beggar on a cold winter's day. Later he is said to have had a dream of Jesus wearing his cloak, which caused him to give his life to Christ and he was baptised at the age of 18.

After much learning and many adventures Martin reluctantly became Bishop of Tours in 371. He was not too keen on the diocesan system. He had learned much about the hermits and monasteries of the Eastern Church and he encouraged the

community way of life. This is where the Celtic connection comes in. Martin was one of the chief communicators of the way of life of the Desert Fathers to the Celtic Church.

Our earliest churches are dedicated to St Martin. Ninian's church Candida Casa was dedicated to St Martin and Ninian is said to have visited Martin in his monastery at Marmoutier. There is also a St Martin's Church in Canterbury. This church probably dates from the time of the Roman occupation and was definitely already in existence when St Augustine of Canterbury arrived to convert the Angles in 597. If you come across a St

Martin dedication it is more than likely that you have found a very ancient church.

## Berlin Wall Came Down

**T**hirty years ago this month, on 9th  
November 1989 the Berlin Wall  
began to fall. Over two million people  
from East Berlin visited the West in a  
celebration described as *'the greatest  
street party in the history of the  
world.'*

We still live with walls, e.g. the walls  
which divide Gaza and Palestine from

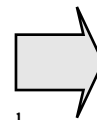

Israel. It's a strong human instinct to  
build walls to separate us from those  
we view as different and threatening.  
Paul in the New Testament is still in  
the business of breaking down  
barriers. *"There is neither Jew nor  
Gentile, neither slave nor free, nor is  
there male and female, for you are all  
one in Christ Jesus."* (Galatians 3:28).

A person who thinks only  
about building walls,  
wherever they may be, and  
not building bridges, is not  
Christian.

## Teme Valley YFC raise over £1,000 for Charity

Teme Valley Young Farmers Club raised £1,057.58p for two local causes as a result of carolling around the area last winter for three nights.

The money was split equally between Wales Air Ambulance and Bronllys Hospital. The presentation of the

cheques was made by Teme Valley YFC past chairman George Morgan together with Club members, who are pictured presenting a cheque for £528.79 to Andrew Catling, representing Wales Air Ambulance.

During the presentation Andrew Catling explained that Wales Air Ambulance is funded by the people of Wales; relying entirely on the public's support to help keep the helicopters flying.

## Bleddfa Bazaar

Despite warnings of bad weather and competition from other events in Knighton, the St Mary Magdalene Church, Bleddfa bazaar was a great success.

A steady flow of visitors throughout the morning enjoyed tea and homemade cake and chat with friends. Suitably fortified, they snapped up bargains galore, tried their luck on the tombola, guess the name of the teddy, and guess how many sweets in the jar. They bought a few raffle tickets and left for home with a bag of treats from the cake stall to enjoy at home. An enjoyable morning all round.

Thanks from all the team to the many people that supported us.

## A Weekend of Celebrations at Evancoyd

### Harvest Festival

Our Harvest Festival took place on Saturday 12th October. The Church was decorated with beautiful flowers and abundant with produce.

After the service Rev Mark Beaton invited us to adjourn to the Village Hall for a bring and share supper followed by an auction of produce.

Andrew Morris expertly conducted the auction with his hilarious banter

and was ably assisted by Peter Featherstone. Needless to say we were persuaded to part with a great deal of money, not least for Rosemary's enormous carrots, freshly harvested swedes and Olwen's famous Welsh Cakes! But it was all in a good cause since this year money raised will be going to the Bracken Trust, supporting people living with cancer.

### Baptism of Lucas

The following day, Sunday 13th October Rev. Mark Beaton took the service for another very joyous occasion when St Peters was again full with happy people, all there to celebrate the baptism of Lucas Harrison. Lucas, just like his brother Ethan (who was baptised here in 2018) was a very contented baby and enjoyed every minute.

### Fun Ceilidh in Evenjobb

Thanks to Sylvia Capstick and the very lively music of the Radnor Valley Band we hardly put a foot wrong at our Fun Ceilidh dance on the last Saturday in September. We also enjoyed lovely folk songs from Jess Squire and Rev Mark Beaton.

This dance was organised by Heather Evans as a fund raiser in aid of the Evancoyd Church Organ Fund.

Throughout the evening we learnt a variety of dances and Sylvia told us some history about them, giving us a

brilliant demonstration of an Irish folk dance. We all had a great time and it was indeed a Fun Ceilidh!

## Colva Harvest Festival

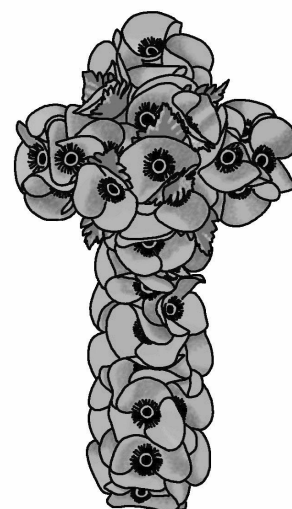

St David's Church Colva welcomed the Reverend Rachael Storer (Ithon Valley Parish) to the annual Service of Thanksgiving for the harvest. She spoke in her address of the gratitude owed to the hard working farmers growers and producers who tend the land throughout the year to provide food for our tables.

Flowers, produce and home-baked items on display were afterwards available for a donation towards St. Michael's Hospice. Also a share of the collection will be given to the cause.

Special thanks to the team who prepared the church and grounds, including flower arrangers, and all who helped with the harvest tea.

## YFC Fills Beguildy at Harvest

Harvest Festival was FILLED with the Radnor Federation of Young Farmers. Their white coats lit up our service. They came from all over Radnorshire:

Aberedw, Cantal, Dolau, Edw Valley, Howey, Knighton, Llanbadarn Fynydd, Penybont, Presteigne, Radnor Valley, Rhayader, Rhosgoch, Teme Valley.

They brought boxes and boxes of food. Unlike the rest of us they sat right in the front rows (after a little coaxing from Petra), and they read all

the lessons beautifully, showing just how sound their training has been.

Each year members of the Federation go to a different church for Harvest, making the rounds of their 13 parishes, and this year was Beguildy's turn to host them. We are grateful to young people for raising funds for charity and for giving up a Friday evening to travel to the far reaches of Radnorshire for church.

Children in the parish joined in as well with their gifts for the disadvantaged people in our communities. Revd Rachel preached a delightful sermon about being stuck behind a tractor

when you're in a hurry, a great opportunity to give thanks for all the blessings of creation!

## Does your church need an organist for Christmas?

The Diocese of Hereford Organists' Training Scheme (DHOTS) can help. If you, or someone you know, would like to learn the organ in order to play for services, why not get in touch with DHOTS! Contact the secretary, Grahame Taylor, by email on [gt@gftaylor.co.uk](mailto:gt@gftaylor.co.uk) for more information. It doesn't matter how little playing you've done before, or how small the instrument is in your church.

DHOTS celebrated its 18th birthday on 2 July with Bishop Richard of Hereford, organists, aspiring

organists, clergy, church wardens, church members and interested people. The hard work of village organists was appreciated and praised. A sample lesson on hymn-playing was demonstrated with the help of a 13-year old student on the scheme.

Adult students outlined the ways that the scheme had helped to build their confidence in service playing and also described how having a regular organist to play hymns in their churches had helped to boost congregation numbers.

Most students on the scheme began as amateur pianists persuaded to help their church out, but progress to becoming confident organists, able to lead the singing in their churches, often also building choirs.

DHOTS *may* be able to take on students along the border of Hereford and Shropshire subject to resources being available. If anyone wishes to apply, then we'd do our best to accommodate them but can't make a firm promise.

Harvest through the tiny 13th Century window

## The Ancient Ritual at Cascob

To enter St Michael's Cascob I crossed over a stone etched with 1608. All of us who crossed filled this lovely old 14th Century church for a Sunday afternoon Harvest Festival. People must have celebrated Harvest here for hundreds of years. The gifts brought to the altar reflected the season: water, wheat, apples and a fleece.

We sang about golden sheaves of corn but the subject of the sermon was the humble fried egg sandwich! Petra made us see the miracle, not of culinary skill, but of God's creation. A cow produced milk and wonder of wonders it was transformed into butter (for spreading on the sandwich). How?! A chicken laid an egg. A farmer planted a tiny seed

which grew into a tomato (for the ketchup) or wheat (for the bread) or hundreds of other fruits and vegetables.

The writer of our New Testament lesson urged us to "Rejoice"! (Philippians 4.4) Such joy in all creation was made easy with scrumptious homemade cakes.

## Bobby's Beat — Ways and Means

*From the diary of a parishioner who served in the police.*

One cold night I responded to "Man threatened wife with carving knife." in a block of council flats in Wandsworth. The flat was on the top two floors of the block, accessed by a common balcony.

The wife told me her husband was an Irish labourer, who had spent much of his pay-packet on drink before he came home. The hall had a light, but some of the rooms did not. There

were bare floorboards in most rooms, but there was a TV on a box (we did not have one in those days).

The couple had three children under five years, and the wife worked as an orderly in the nearby hospital to keep them. Upstairs the kids were asleep on three beds in their underclothes, two with no bedding, and the other with a sheet. The drunken father was asleep on the bed with him.

I pondered what to do for a minute because the man was well asleep. But I woke him up, and let him order me

from the house. He was quite aggressive, but I had no power of arrest IN the house, as he had not injured his wife. I let him pursue me downstairs and out onto the balcony, where I DID have a power of arrest, because this was a public place. He spent the night in Wandsworth Police cells, and I charged him with being "Drunk & disorderly" before I went off duty. I often wondered how the family fared after that, but I had no further contact.

### Felindre W.I. Cave Rescue

The Felindre Village Hall was packed for the WI's guest evening on Wednesday 2nd October, President Jayne Harris extended a warm welcome to members and local guests as well as WI members from Dolfor, Llanfairwaterdine, Llanbister, Stow & Stanage and Tref y clawdd.

Our guest speaker was Gary, the Assistant Chairman of the British Cave Rescue Council, who went to the Tham Luang Caves in Thailand last summer. With other specialist

cave rescuers they co-ordinated the rescue of twelve young boys trapped two kilometres underground when the caves flooded behind them, which made an international news feature. Questions and answers followed and Jayne thanked Gary for a wonderful presentation explaining the dangerous and complex rescue in detail. The evening continued with a tasty supper prepared and served by members. Joyce Matthews manned the Bring & Buy stall and Maggie

Flanders and Wendy Lambourne sold the raffle tickets.

A short business meeting included the minutes of the September meeting and points of interest in the County Newsletter i.e. Annual Council Meeting 23rd Nov, Murder Mystery Evening 2nd Nov, Mental Health Evening 4th Nov and Chinese Auction 13th Nov at Crossgates.

### Old Radnor W.I. At Liberty

We were delighted at our October meeting to welcome Stephanie Kemp, founder of the Designer Weaving Company and Curator of Newtown Textile museum who gave us her very interesting talk *Designed for Liberty*.

For fifteen years under her label *Stephanie Jane* she designed and manufactured clothes for Liberty of London and their stores across the world. Stephanie had brought along her wonderful sketches and a

selection of her Liberty garments. We were also able to see and try the lovely jackets made under her Designer Weaving Company label.

We were very happy to welcome guests from the community and other W.I.s and especially our two most honoured guests, Joy Jones and Cicely Bayliss, both past presidents of Old Radnor W.I. Joy featured on the video as she was president when Stephanie held her fashion show in Walton Hall in 1991 and we all

shared in Cicely's delight at watching Peter Bayliss doing a very good job on the catwalk. What a smile!! A very enjoyable evening.

Elsie won the competition - a corsage/buttonhole any medium. Our Annual Meeting is to be held in Walton Hall on 5th November.

## A Crackerjack Start for Radnor Valley School

### New Reception Children:

Radnor Valley School welcomes all our new children and their families who joined the school in September.

### Harry Potter Studios:

Dosbarth Mrs Curtis started the new school year with an exciting visit to the Harry Potter Studios.

They were delighted by behind the scenes stories, by seeing how the

magical illusions were created and by walking through many of the iconic sets. It was a great start to this term's theme of *'Magic and Mystery'*.

### Madley Environmental Centre:

In September Dosbarth Miss Burgoyne visited Madley Environmental Centre to support their term's work on the theme *'Above and Beyond'*.

There they learned about the satellites based at Madley and what they do. They measured the distance between the planets in our solar system and explored the different features aliens could have before making their own alien out of clay.

Stalls will include Christmas Cards and Decorations, Books, Produce, Cakes, Tombola, Jewellery, Bric a Brac, and more. If you have items to donate for this special sale, please contact Jean Price on 528260 or Pauline on 520739.

We can collect. Draw Prizes will also be appreciated, together with Tombola items. This is a major fund raiser for the day-to-day running of our parish church.

### Bingo

Come along and join in an evening of fun, playing bingo, on Saturday 2 November in the Church Hall at 7pm. Good company, good prizes, to raise funds for St Edward's.

### Church Hall (Raise the Roof)

The 'Sponsor a Tile' appeal is ongoing. Tiles cost £10. You will receive a certificate and your name will be printed on the tile. Enquiries to Rochelle Russell. The management committee would like to thank the family of the late Hopkin John Morgan for the very generous donation given to the Hall Roof Fund in his memory. The recent quiz night was a most enjoyable one, with another one planned. More details soon.

### Teme Valley Gardeners' Club

The next meeting of the club will take place on 11 November at

7.30pm in Knucklas Community Centre. Visitors and guests will be very welcome to come along and enjoy a Floral Demonstration by Sue Hamer, with ideas for Christmas. There will be a small charge for non-members. All enquiries to Avril on 529244.

### MacMillan Cancer Support

The Christmas Fayre will take place on Saturday 16 November at 2.30 pm in the Church Hall. There will be lots of stalls selling delights for the festive season, grand draw and competitions. It is hoped that Santa will arrive during the afternoon.

### Favourite Hymns

In the poll conducted by the BBC, the following hymns rated in the top ten were:

- 1 Jerusalem
- 2 How great thou art
- 3 In Christ alone
- 4 Dear Lord and Father of mankind
- 5 Abide with me
- 6 I vow to thee my country
- 7 Guide me, O thou great Redeemer
- 8 Amazing grace
- 9 Be still, for the presence of the Lord
- 10 I the Lord of sea and sky (Here I am Lord)

I thought this list may be of interest to our readers. Hopefully your favourite is included.

### Family News

Congratulations to Neil and Diana King, who were married in St Edward's on 21 September. Diana is a member of the church choir and a reader at our services. Neil is clerk to Knighton Town Council. Our best wishes to them.

We remember in our prayers all who are unwell at this time, at home or in hospital, and remembering the patients in our hospital here in Knighton and all the excellent staff taking care of them.

Our thoughts and sympathy are with those families in our community who have lost loved ones in recent weeks.

The family of John Morgan: the funeral service took place on 17 September. John was a member of St Edward's Church, past mayor of our town, and much travelled representing Wales as draughts champion, including the Olympics in Beijing.

Rose Morris will be missed by her family, friends and neighbours. She was well known in the community, a very cheerful and generous lady. Her funeral took place on 30 September in St Edward's Church.

The funeral service for Muriel Collins took place in St Edward's on 1 October. The eulogy was spoken by Rev Petra Goodband and the tribute paid by Gwen Davies. Muriel will be missed by her family and friends.

May they rest in peace.

### Donations

St Edward's Management Committee would like to thank the families of John Morgan and Rose Morris for the generous donations given to church funds, following the loss of their special family member.

## Bleddfa Exercises its Harvest Skills

Bleddfa's Harvest involved an exercise routine. We illustrated Deuteronomy 8 with hand motions.

Every time Mark read *the Lord your God* some of us did this:

Every time he said *the land* another group did this (waving their arms across the land):

*Water* or *spring* elicited drinking or swimming or taking a shower:

The words *forget* or *remember* gave this response.

Everyone was a good sport and acted their part – with a purpose. We really understood that God has given us a good well watered land, rich and fertile to grow wheat and barley, vines and fruit trees. Hopefully we'll remember.

## Flora

When cold autumn weather bites, replace your summer baskets with plants to provide colour and interest throughout the colder months. Look for plants which add texture: grasses and conifers, creeping jenny, heather, violas, perhaps a small squash or pumpkin for additional interest and colour. Garden centres are now selling a choice of brightly coloured baskets with advice on how best to take care of them. November is the last month of truly bright colour as late flowers

sparkle against the changing leaf colours of deciduous shrubs and trees: michaelmas daisies, heuchera, sedum and Russian sage, just to name a few. At our last Garden Club meeting the speaker provided excellent advice, with beautiful slides of the autumn and winter garden. It showed just how magical and interesting the garden can be with a little planning and imagination.

For flower arrangers, 5 November conjures up exciting designs in reds, yellow and orange to suggest Bonfire

Night. 11 November is a special date for remembrance. The poppy is known as the symbol of slumber but became the national emblem of remembrance. Like lots of wild flowers, poppies depend on the breaking up of soil. Battlefields, like ploughed fields, and bombed sites mean life to the poppy. In 1921 Field Marshall Douglas Haig, Commander in Chief of the British Armies in France and Belgium, organised the Poppy Appeal as we know it today.

## Vintage Sports Car Club - Welsh Trial

The 80th Vintage Sports Car Club - Welsh Trial concluded at Cwmwhitton on Sunday 13th October after two days and eighteen hill climbs in the surrounding area.

The weather for the competitors was ideal with wet, sticky conditions throughout the weekend, but not so good for the marshalls, spectators and landowners over whose ground the cars competed. But despite the weather there was a good turnout of spectators at Cwmwhitton to see the final three hill climbs on Sunday afternoon.

Knighton and District Rotary Club were in charge of parking and collecting donations, some of which

finds its way to St. David's Church at Whitton. There were some local trial winners in cars as different as a 1930 Austin 7 driven by 14 year old Archie Collings and a 1925 Bentley 3.5 litre driven by Gareth Graham both of Presteigne.

There was also an 80th anniversary Celebration dinner held at Presteigne Memorial Hall for VSCC members, Marshalls and local landowners who allow the trial to continue in its traditional form. There was a comprehensive display of nostalgic photographs from the 80 years that it has been based in and around Presteigne.

## A Moving Experience! . . .

Ladies Guild were pleased to welcome Dave Philips who was to demonstrate some Tai Chi. There was some uncertainty when it came to the audience participation bit, but he soon got us all moving serenely and gracefully and without too much effort. Some of us even did Tai Chi sitting down! It was all most relaxing

and a thoroughly pleasant, peaceful experience. There was certainly a hush in the room before we all glided off for a cup of tea.

Guests are always welcome; For more information about Ladies Guild give Maggie a ring 01547 528358

## What's on at the W.I.s

### Llangunllo W.I.

#### Llangunllo WI Beat The Drums

At our September meeting we certainly raised the roof, when we learnt to play a number of musical instruments, including drums, maracas and tambourines to name but a few, under the direction of Sarah Andrews.

As well as helping us create and follow a rhythm we played as a group. She shared with us the work she and her colleagues do with a variety of groups from the elderly to children who often face challenges such as dementia or learning difficulties, and how such sessions are very therapeutic.

We certainly had a lot of fun, and there was much laughter as we tried to remember which instrument needed to be played at what point. Whilst we might not be ready for the Albert Hall just yet, we all agreed we had learnt something and even surprised ourselves at our own musical ability. *Shirley Brown*

#### Llangunllo WI are Patchy

A contrast for our October meeting was our visit to the Old School in Whitton. We were to learn about Patchwork, view the museum and workshop at Whitton, now established there.

Rosamund Black gave us an insight into the quilts on display, many of which are old Welsh handmade ones. We all admired the exquisite patterns and work in them.

We then tried our hand at Patchwork under Rosamund's guidance and were pleased with our attempts.

A most enjoyable time was spent there with some members now looking forward to progressing further with this craft when Rosamund has finalised dates for her courses.

### Whitton W.I. Harvest Supper

The annual Harvest Supper hosted by Whitton W.I. was held in Whitton Community Hall on Friday 11th October, when 60 guests enjoyed a beautiful buffet supper prepared and served by the members of the W.I.

The entertainment after the supper was provided by The Three Tenders from Hereford, who sang some well known songs from the shows and popular music which was much enjoyed by everyone, so much so that they had to perform two encores!

Unfortunately a few W.I. members could not be there, but at the end of the evening a good group of guests stayed behind to help clear the Hall which was much appreciated.

### Gladestry W.I. Preparing for Christmas

What a super evening everyone had at November's meeting in Gladestry village hall. Members and guests had the opportunity of producing a Christmas tree decoration.

All present were given the chance of allowing their creative juices to flow when deciding what materials and

embellishments for each individual item created they could use.

The ladies followed the advice and guidance of W.I. crafting experts Sylvia Bigglestone and Kenny Keel both of whom are from Aberedw W.I.

The next meeting is on November 19th at 7.30 in the village hall when

everyone will be intellectually challenged by Marlene Evans' quizzes. Marlene's quizzes are always fun, and tend to bring the child within us to the fore! We hope you can join us all, a warm welcome is guaranteed.

## Knucklas/Heyope Shared Harvest

**K**nucklas Baptist and St David's Heyope enjoyed a shared Harvest Festival on Friday evening at Knucklas Community Centre. We shared a meal of ham or quiche and salad and then tucked into a wide selection of homemade puddings. One noteworthy guest tried seven puddings, another four!

Menna Breeze sang with her beautiful harp a range of music we knew and loved: "The Fields of Athenry" "Edelweiss" "Danny Boy".

Michael Humphreys rounded off the evening with a special guest appearance of Tatty Ratty (Page 50)

who overate at the meal and became "Fatty Ratty".

On Sunday evening we met again for our Festival Service at Knucklas Baptist Chapel. Revd Kevin Dare told us that in former times we would have celebrated harvest at the beginning of the season at Lammastide early in August. Not until 1843 were Harvest Festivals celebrated at the end of the harvest season.

Revd Petra Goodband, our preacher, extolled the uniqueness of our harvests. They had all been different, all a planting of the seed which grows

into Christian faith if it falls on well prepared soil.

She told us about 'Open Door' (see below) which smuggles Bibles into 60 countries, most notably North Korea, where Christians are killed or placed in detention camps. 'Open Door' supports Christians in practical ways and helps them find places to secretly worship. A challenging job.

Our Harvest Service and Supper raised £310 for Water Aid.

## Aberfan Male Voice Choir at Llangunllo

On the rainy evening of October 5th, lucky visitors to St. Cynllo's Church, Llangunllo in association with Gravel Chapel had their spirits heartily uplifted at a concert by the magnificent sounds of Ynysowen Male Voice Choir, from Aberfan.

Under the tight baton of their Musical Director, Jennifer Jones MBE, and Accompanist, Sheryl Kennedy, the choir provided an array of stunning arrangements, to delight the packed audience. Amongst songs included in

their versatile set were: *I Believe; Calon Lan; Nella Fantasia; Rock My Soul; Siyahamba; Keep Your Lamps Trimmed; Three Times A Lady and I Understand*, finishing with a rousing rendition of *The Welsh National Anthem* for all to join in.

The ladies of Llangunllo Singing Group, with Accompanist, Andrew Thomas, proudly supported; with creditable versions of *Sing, Let It Be, Take Me Home Country Roads* and a medley from *The Sound Of Music*.

As an additional treat, two beautiful, ethereal medleys, slotted into the programme, by a talented, ladies Harp trio.

A raffle was drawn, and refreshments were served during the interval. A substantial buffet tea was provided after the concert. The visitors from the valleys continued their musical evening at The Greyhound's monthly Open Mic Night. We hope they return very soon!

## Another joyous occasion in St Cynllo's

We were delighted to welcome members of the Pugh clan again along with those of the Pritchard family for the Christening of their new young member Finley Ernest. With the support of Mum Becky and Dad Marc, he approached the proceedings in as relaxed a fashion as his cousin Billy had done the month before.

Once more we were charged with the happy responsibility of ensuring that

Finley sees our love every day and through that will come to know the love of God.

It was lovely that everyone seemed to feel so comfortable and 'at home' and, having made such a promising start, we are confident that we shall be seeing more of Finley and Billy in the months and years to come.

### Knighton Hospital & Community League of Friends

After a successful application from the East Radnorshire Day Centre for a replacement Arjo accessible bath, the Chair of the League of Friends Rebe Brick and Committee members Rachael Morris, Chris Ruby and David Minton were invited to the Centre for the official opening. Rebe said on behalf of the League that it was a pleasure to support such a well deserving facility which is used by a great number of people.

In the photograph you can see staff giving a demonstration to the League members, together with Beverly Baynham the Manager and Trustee Roger Curtis of the Day Centre. In her reply Beverley said that The East Radnorshire Day Centre were delighted with the successful grant application to the Knighton Hospital and Community League of Friends, to fund the purchase of a replacement bath.

The Day Centre offers a comprehensive bathing service in a comfortable setting, with fully qualified staff. It was fantastic to receive the grant and we are extremely grateful to everyone involved with the League of Friends. The visit concluded with light refreshments and a quiz.

## Knucklas and District Notes

spared the worst of the summer drought.

The local Baptist Chapel combined with Heyope Parish Church in enjoyable and well-organised celebrations of Harvest earlier in the month. All the proceeds went to well-chosen charities.

Apple Day is scheduled for October 26th, to enjoy the local fruit harvest and to make a lovely juice from any surplus.

November is, traditionally, the month of remembrance whilst December is the month of light and hope at a very dark time of year. Then, January is the month of spiritual enlightenment ('Epiphany').

Meanwhile, Knucklas remains a highly desirable place to live, with quite strong neighbourhood bonds for most residents though, sadly, some have to leave, when they have the opportunity.
